To the Pastor and/or the Church Board Chair: FA's Two-way Church Matching Aid program is a need-based form of financial aid intended to help make it possible for Adventist students to attend our school. We believe it is important for the parents, the student, and their church to all be involved in helping finance the student's education. Generally, the local church will choose to help their student at the suggested levels above while some churches provide more or less. We require this Application be completed and signed by either the Pastor or the Church Board Chair before we will include this amount in the student's Financial Plan. We trust that your church will choose to financially support this student. If you have questions about this application or the program, please call or email Mrs. Kathy Hadley at (828) 209-6711 or khadley@fletcheracademy.com
