Dorm

Handbook

Fletcher Academy 2009-2010

Welcome

We would like to take this opportunity to welcome each of you to the residence halls at Fletcher Academy. Fletcher Academy has been providing Christian education since 1910, and we are glad to be a part of it continuing on. We are very happy to have you join our residence hall family this year, and for many of you, for a few years to come

As your Deans, we will strive to uphold you in prayer every day. If we can help you in any area of your development, please feel free to speak with one of us. We understand the challenges, frustrations, joys, and opportunities of dormitory life. In one sense we are a big family made up of many personalities and backgrounds. It is vital that we learn to cooperate with each other while showing consideration and respect.

There are two principles that we ask that you follow. The first is to love God with all your heart, mind, and soul; put Him first in everything that you do. Second, love your neighbor... treat others the way you would like to be treated. You will find that everything in this handbook will fall under these two basic categories.

Looking forward to knowing you better,
Michael Gann, Dean of Boys
Helen McClellan, Dean of Girls

Campus

Campus is defined as the dorms, ad building, and the field. The cafeteria and LPC are included in the campus only during their hours of operations. Other areas are off-limits unless you are required to be there for work and/or classes, or if you have received permission from a dean, administrator, or a supervisor on duty. If you feel you are being threatened or that someone is attempting to harm you, remove yourself from the danger as soon as possible and inform a staff member. Fighting or threatening to harm someone is not tolerated, AND will be dealt with **immediately**. Avoid a fight at all costs...Remember "Love your neighbor."

Fire and Fire Code

If the fire alarm goes off, you must leave the dorm immediately and not re-enter until told to do so. Duplicating a key is prohibited and will be subject to discipline and loss of privileges. Should a student be locked out of their room REPEATEDLY and need dorm staff to open the room, the student will be charged \$1 to have their room opened.

Laundry

The laundry room(s) will be locked down 45 minutes before sundown and during the Sabbath hours. You will need to supply your own laundry detergent, supplies, and softener. Leaving your clothes unattended for an extended period of time may result in confiscation or other students moving your clothes. **Please mark your clothing tags with your initials or in some other way so you will be able to distinguish them easily if they are accidentally mixed with someone else's clothes. Especially school shirts as they are all the same.**

Leaving Campus

If you wish to leave the immediate part of the campus, dorm, Ad Building, you must have permission to do so. If an emergency arises the dean must be able to find you. It is understood that you will meet your regular appointments (class, work, recreation, meals, etc.) You will find a breakdown of the types of leaves listed below:

1. Day Leaves: With permission from one of the deans, you may

Fletcher Academy 2009-2010

visit with families in the community. These leaves usually involve student's being invited to someone's house for Sabbath or Sunday afternoon.

Before you are allowed to go off campus with someone other than a faculty member, you must have parental permission before leaving campus in writing. This is done by the parents approving names on the students driver's list. The person signing you off campus must complete the sign out sheet before you leave. When you return, the same driver must sign you back in.

Approval must be given before you leave campus. Violation of this will result in a campus bound restriction and perhaps further discipline by the AD Council.

2. Overnight Leaves: A leave slip must **always** be filled out and signed by **Wednesday** before leaving campus for the weekend. (This includes school functions (ex. Choir, Acroknight, class trips etc). When you wish to leave campus overnight with someone other than your parents, permission must be granted in writing by your parents. An invitation from the host must also be given to the dean. Always tell the dean on duty before leaving the dorm over night, even if the leave slip is filled out.

3. Overnight Leave Policy (If you are within 25 miles of FA): If you sign out to leave campus overnight and the person you are staying with is within 25 miles of Fletcher Academy, there are some provisions that need to be followed.

Provision 1—If you come back on to campus, you must stay. (exception is going to the Fletcher Church)

Provision 2—If you attend Fletcher Church you must be dorm dressed and sit with the dorm students or Host Family (Adults)

Provision 3—If you need to come back earlier than planned, you must call ahead and ask permission.

If they violate any of these provisions, they would lose all overnight privileges for the following periods of time:

1st Offense—2 weeks (not including closed weekends or breaks).

2nd Offense—5 weeks (not including closed weekends or breaks).

3rd Offense—Loss for year.

Fletcher Academy 2009-2010

Lights Out

With the busy schedule at the Academy, sleep is an important factor in helping you be successful in all areas. Room lights are to be out by 10:00 p.m. for Freshman, Sophomores, and Juniors and 10:45 p.m. for Seniors. No one is to be out of their room after this time. The Deans may grant late lights for those who have been diligent during study hall and are still studying.

Lobby

The lobby is a place for you to relax and visit with friends and guests. Since it is a public area, it is requested that you keep the area clean and neat. Please remember to be dressed in modest and appropriate clothing and to behave appropriately. Any personal items left in the lobby will be picked up and may be held for "ransom".

Locked Doors

All students **need** to keep their doors locked when no one is in the room. This is the best measure at preventing theft. The school cannot be responsible for your personal items. If a student has a large amount of money it is advisable for them to give it to one of the deans. Anyone who enters or attempts to enter a locked room without permission to do so will be taken to Deans Council and dealt with appropriately. **Do Not Enter Someone's Room Without Having Permission To Do So!!**

Mail

To mail your letters, please make sure that they have the proper postage and then drop them off at the Academy Office.

Medical Supplies

The dorm is equipped with a emergency first-aid kit, however we would like to encourage each student to bring their own basic supplies such as Band-Aid's, Antibiotic ointment, Charcoal, Tylenol, cold medicine and cough drops as these are not provided.

Music Policy

Music in the dormitory has the basic purpose of character building for its students, and is concerned that students shall acquire an understanding of Christian living. In the dormitory we believe in praising and worshiping our God and Maker in all that we do. Music is a gift from God; therefore, the music that we have on our campus and in our dormitory should be praiseworthy and acceptable in His sight. Fletcher Academy chooses to adopt the music guidelines prepared by the General Conference of Seventh-Day Adventists:

1. All music the Christian listens to, whether sacred or secular, will glorify God.
2. All music the Christian listens to, whether sacred or secular, should be the noblest and the best.

Fletcher Academy 2009-2010

3. Musical and lyrical elements should work together harmoniously to influence thinking and behavior in harmony with biblical values.

4. Any/all music needs to be approved by the Deans at the beginning of the school year.

Music must not be heard outside of any dorm room or outside of the dormitory at any time.

Personal Devotional Life

The strength to live a Christian life is possible only through an on-going relationship with God. The deans urge each of you to take time to study the scriptures on your own. In the daily academic schedule you will have the opportunity to spend some quality time with our Lord and Savior. Inspirational Christian reading material is available from your deans.

Pets

Fish are the only animals allowed. Tanks must be 2gal. or less. They should be cleaned on a regular basis. If the fish tank is not kept clean students will be asked to take their fish home.

Repairs

Report to the dean or RA if there are any repairs needed in your room. The Academy Maintenance Department takes care of needed repairs. Do not attempt to do any repairs on your own.

Resident Assistant (RA)

Resident Assistants are dorm student(s) chosen by the dean to assist with the running of the dorm program. Some of the duties include:

Fletcher Academy 2009-2010

Running study hall, answering phones, taking record at meetings etc.

RA have the authority to administer minor discipline per the guidelines the dean has established for them. You are expected to comply with their directives unless they are asking you to do something which is immoral, illegal, or puts you in harms way.

If you feel that you are not being treated respectfully please notify the Dean.

Room Furniture

You are completely responsible for the care of the furniture in your room. Should anything in the room be damaged, the occupant(s) will be charged for the cost of replacement. Each room contains two beds, two mattresses, two desks and two chairs. Furniture may not be altered in any way. To avoid unnecessary wear and tear on the dorm, free weights and other exercise equipment is not allowed in dorm rooms.

Note: Removal of residence hall furniture, cushions, pillows, decorations, etc. is considered theft and will result in serious discipline.

Room Care and Daily Inspection

Rooms will be checked sometime during the day Monday-Thursday.

On Fridays in preparation for Sabbath, room check will be after 4:00 p.m.

Room check is done on a pass or fail basis. Any three items not done on the room check sheet will cause a student to fail.

Fletcher Academy 2009-2010

Room Search & Inspection

The Deans or School Administration reserves the right to enter and inspect all rooms when it is thought necessary to ensure the safety of others and compliance with school and dorm guidelines.

Sabbath Preparations

Activities during Sabbath hours all should honor the commandment to “Remember the Sabbath day, to keep it holy.” Sabbath is a time to set other things aside and to focus our attention on our Creator. Student’s need to guard the edges of the Sabbath by having all cleaning and any other special preparations completed 45 minutes before sundown. Clothing needed for the Sabbath should be out of the laundry room since it will be locked at that time and remained locked until sundown on Saturday night.

Screens

Screens are on the windows for your protection and safety and must stay in place. Using your window as an exit or entrance for yourself and/or others will result in a fine and further discipline from Ad Council.

Sign-out Sheet

A sign-out sheet is provided for students at the front desk so the dean will know where to find them if the need arises throughout the day. Because students come and go on a regular basis to classes, work and recreation, there won’t be any need to sign out for these places. But anywhere else, we need to know where you are.

Sexual Harassment

Refer to school handbook.

Fletcher Academy 2009-2010

Sick List

If you feel the need to be on sick list, you must see the dean before your first appointment that day.

If you become sick during the day, you must inform the supervising adult in your area. No one but the dean on duty can approve a student for sick list.

While on Sick list:

- ^{3!} You will be in **your room** for the remainder of the day.
- ^{3!} No visitors will be allowed in your room.
- ^{3!} You may only receive phone calls from your parents.

Failure to comply with these regulations will result in class and/or work being unexcused and any other appropriate discipline.

Skateboarding

Skateboarding is not permitted anywhere on the campus of Fletcher Academy.

Substance Use and Abuse

Refer to school handbook.

Telephones

When you answer the phone, you are to do so with respect and kindness. Please be courteous and helpful to the person who has called our home. Make an honest effort to find someone or take a message if you need to.

Because we must all share the phone, it is important that no individual or individuals monopolize the phone. Out of fairness and courtesy to others, all calls need to be limited if someone is waiting

Fletcher Academy 2009-2010

so everyone can have equal opportunity to use the phone.

There should be no incoming or outgoing phone calls after 10 p.m. (11 p.m. on Saturday night) You may lose your phone privilege if you abuse this rule.

Trash

Please be sure to empty your trash everyday, if you don't we will end up with some unwanted pests.

Vacuum Cleaners

There is a vacuum cleaner available for student use. If the vacuum is not working well, be sure to report it to the Dean immediately. After you use it please return it so that others may use it

Visitors

Visitors are to check in with the Dean and sign in when they come to visit. Family members that come to visit and stay overnight in the residence halls will be expected to abide by all the residence hall guidelines.

Parents are welcome to visit their children at any time as long as they communicate with the Dean on Duty. Parents and grandparents will be allowed to go to the dorm rooms after they check in with the Dean on Duty and after an announcement is made on the PA intercom.

With the exception of parents and siblings accompanying them, **no one of the opposite sex** should be in the dorm without the dean's permission. If caught in the dorm of the opposite sex, you will be immediately campus bound and your name will go to ad-council for further disciplinary action.

Because visitors may come into the lobby at anytime, students must be dressed modestly and appropriately.

Fletcher Academy 2009-2010

Girls Dorm Visitors

Male parents and grandparents will be allowed to assist with heavy loads while moving into and out of the dorm. In order to insure the safety of all residents we ask that you spend no more than 15 minutes in the dorm room.

Worships

Dorm worships are held each evening after supper time at 6:45 pm. Everyone is expected to be there on time, dressed modestly. In addition to a time of devotion, announcements are shared with the dorm residents when necessary. It is expected that everyone will behave reverently at this time. One night each week there will be a joint worship in the girls dorm chapel.
